I have received information about the New Jersey Immunization Information System (NJIIS) and understand that the purpose of this program is to help remind me when my immunizations are due and to keep a central record of my immunization history. I understand that the medical information in the NJIIS may be shared with authorized health care providers, schools, licensed child care centers, colleges, public health agencies, health insurance companies, and others as permitted by New Jersey Law at N.J.S.A. 26:4-131 et seq. and rules at N.J.A.C. 8:57-3.1 I understand that I can get a copy of my record from my primary health care provider, my local health department, or the New Jersey Department of Health (NJDOH). - **I have read or had explained to me by Burlington County Health Department (BCHD) staff** the attached information about influenza and the influenza vaccine. I have an opportunity to ask questions about influenza and the vaccine which were answered to my satisfaction, and I am 18 years of age or older. I have been informed of the Notice of Privacy Practices.
- To my knowledge I am not allergic to chicken eggs or chicken egg products, or Thimerosal (Merthiolate) and have never been advised by my physician or other healthcare provider to not receive this vaccine.
- I am not allergic to Epinephrine (adrenalin) the drug used to counteract an allergic reaction to a flu shot. I am not allergic to latex. I do not currently have a fever or the symptoms of an acute infection. I have never suffered with Guillain-Barre Syndrome or any other neurological disorder.
- I understand that the recommended immunization is one injection/dose. I understand that receipt of the vaccine does not completely protect me against the flu or other illnesses that resemble the flu. I further understand that if I have a condition of (or am undergoing treatment which causes) immuno-suppression (the reduction in my body's ability to fight infection and illness), the effectiveness of the vaccine in preventing the flu may be diminished. I believe I understand the risks and benefits of the vaccine.
- **I understand that it is my responsibility to remain in the vaccination area for 15 minutes after I receive the vaccine, in case I experience a reaction.**
- I agree to receive the influenza vaccine and I hereby release **the Burlington County Board of Chosen Freeholders, County Health Department and their employees, servants, representatives, officers, and agents (together, the "Indemnities")** from any liability for giving me (or the individual on whose behalf I am signing) the influenza vaccination. I agree to indemnify, defend, and hold the indemnities harmless from any claim made by any person, (including the individual on whose behalf I am signing). If Medicare Part B eligible, I authorize **Burlington County** to bill Medicare Part-B for the immunization and I authorize Medicare benefits to be paid directly to the Burlington County Health Department.
- **My Signature on this form means that all of the information provided in this Application and Consent Form are true to the best of my knowledge. I understand that this form and my signature below are binding on me and my heirs, successors and personal and legal representatives as well as those of the person on whose behalf I am signing. If I am not the person being vaccinated, I warrant that I have the authority to give this consent for the person to be vaccinated.**
